### CUISINE

café with daily specials

### CHEF JENNIFER AND BERTA

This family-owned café is the perfect community hub for Houstonians. Café Flores is a warm and inviting place offering guests a great cup of joe, a homemade sandwich and a rich slice of dessert. I had a huge piece of the Bourbon Pecan Pie and a slice of the moistest cheesecake! Both were too beautiful to eat but were to die for once you had the first bite. Stop by on Sundays for Movie Night or the weekend for the hot lunch special – meatloaf. Check out their Web site to order a bag of beans grown on the Filadelfia Coffee Estate in Guatemala;
